

SPACA Media Team Report

Calvary greetings to all members of St. Paul's Church.

The SPACA Media Team commenced operations during the **Easter Day Service in 2025**. Since its inception, the team has successfully navigated initial challenges and has achieved a stable media setup for both worship services:

- **English Service – 7:00am**
- **Yoruba Service – 10:00am**

These services are now consistently projected to enable members to follow the service, whether **Eucharistic or Matins**.

The team usually holds **Sunday Service preparations on Saturdays by 5:00pm**, and members' turnout has been consistently encouraging.

In response to the growing needs of our members and the wider community, the team expanded its scope to include **online streaming of services**, beginning with the **New Year Crossover Service**, and occasionally other services as deemed appropriate.

The SPACA Media Team was **officially inaugurated on December 14th, 2025**, during the **10:00am service**.
